DISTRICT GOVERNOR’S BIOGRAPHY

Proud member of Fayetteville Community Lions!!! Born in Cuba, raised in Oklahoma. Joined the Women's Army Corps, worked as GS for 33 years and retired 4 years ago. Started Lions with International President S. Scruggs in Vass Lions in 2010. When I moved to Fayetteville, North Carolina and became a Charter President for Fayetteville Community Lions Club and a Brighter Visions Chair . I became fascinated by Visual Impaired Person (VIP) technology. By inviting eSight to our Mid-Winter Conference 3 years ago, I then created a VIP Tech 5 person team that tests, researches, critiques and talk about VIP technology, that gained government, school assistance, and VA support for VIP veterans.

PROTOCOL FOR OFFICIAL VISIT OF DISTRICT GOVERNOR

Lions Club International requires a member of the District Governor's Team to make at least one official visit to every club within his District. In most cases, he or she is the highest ranking officer of Lions International to visit the club during the year. On the occasion of the official visit, certain procedures of protocol should be followed.

1. Do not schedule other programs during the Governor's official visit. He or she will provide the program.

2. Strive to secure excellent attendance at this meeting.

3. Have your District Governor properly introduced to each Lion. Usually, the President or an officer who knows him should do this.

4. The Zone Chair should introduce the District Governor who will then deliver his address. If the Zone Chair is not present, the District Governor should be introduced by the Cabinet Secretary/Treasurer, Past District Governor or Club Officer in the foregoing order.

5. When the District Governor is introduced, the Club members should stand and in a like manner should also stand at the conclusion of the address.

6. A brief Board of Directors meeting should be scheduled following the regular meeting. This is the appropriate time for your members to ask questions and participate in a discussion with the Governor. Accordingly, full attendance of the Board is appreciated, as well as attendance by all other interested members of the Club. To permit the Governor to be able to respond and offer the best possible assistance, it would be appreciated if special problems or questions are made known to the District Governor well in advance of his visit.

7. Your District Governor welcomes suggestions for improvements in the administration of the District. Any ideas or suggestions for special projects that will encourage more individual involvement by Lions of District 31-N will be well received by your District Governor.

Wallace I West Humanitarian Awards

District 31-N gives two (2) **Wallace I West Humanitarian Awards** each year. These awards are given to promote awareness of the Brighter Visions fundraising efforts in our district. The first award will be given to the club that raises the most money per member. The second award will be given to the club that has the greatest percentage increase in contributions over last year's contributions. This gives every club a chance to be honored with a **Wallace I West Humanitarian Award**. No reports need to be filed. Award determination is made by information supplied by North Carolina Lions, Inc. **For more information please contact:**

Lions International Dues and Entrance FeeS

International dues will be $43 annually ($21.50 semi-annually) for the 2019-2020 year. The Club Treasurer will receive a semiannual bill based on the information the Club Secretary submits to Lions International. These payments are due in January and July. Make checks payable and mail payments to:

The International Association Of Lions Clubs
35842 Eagle Way
Chicago, IL 60678-1358

Club Treasurers with a valid MyLCI User ID and password can pay by credit card via the Lions Clubs International website. Please visit www.lionsclubs.org and click SUBMIT REPORTS. After logging in, click on CLUB. Then, choose STATEMENT. Lastly, click PAY NOW. Visa, MasterCard, Discover and American Express credit and debit cards are accepted.

New members to a club pay an **entrance fee** of $35 or must submit the proper waiver certification form. New members fees are waived from July 1, 2020—December 31, 2020

Family Membership Dues Program
Family members have the opportunity to receive a special discount on dues when they join a Lions club together. The first family member (head of household) pays full international dues (US$43), and up to four additional family members pay only half the international dues (US$21.50). All family members pay the one-time entrance fee.
The Family Membership Program is open to family members who are (1) eligible for Lions membership, (2) currently in or joining the same club, and (3) living in the same household and related by birth, marriage or other legal relationship. Common household family members include parents, children, spouses, aunts and uncles, cousins, grandparents, in-laws and legal dependents.
Family membership is limited to no more than five qualifying members per household, and new clubs must have a minimum of ten full-paying members. Same-household residency is not required for family members under age 26 if they are pursuing higher education or serving in their country's military.
To receive the family membership dues rate, complete the family section on the Report of Charter Members form (TK-21A).

Lions International Reports

Monthly/Yearly Club Activity Report: Club secretaries can report their club's activities online through the association's website by following these simple steps:

- Log onto the Lions Website: https://**mylci**.**lionsclubs**.org
- Click on the tab that reads MyLCI at the top of the page.
- Enter your username and password to enter the MyLCI site and complete the service activities report (if you need help logging in, get in touch with your Cabinet Secretary.)

The online site:

- Allows a secretary to report activities monthly.
- Automatically tabulates each club's information in a summary report and eliminates the need to submit a separate year-end report.
- Provides space for supplemental information about club activities
- Allows governors, vice governors and cabinet secretary/treasurers to view all club reports in the district.
- Allows club secretary to view other club's and districts service activities that have been shared.
- Allows club to enter service goals and track their progress to completing goals.

The online report has replaced the paper report form. Secretaries should use the online report to ensure inclusion of their club's service activities in the year-end summary that is published after July 15, the cutoff date for activity information from the previous Lions year. For more information, contact programs@lionsclubs.org or call International Headquarters at (630)571-5466 extension 6924.

MISSION STATEMENT
To create and foster a spirit of understanding among all people for Humanitarian needs by providing volunteer service through community involvement and international cooperation.
