Please fill out this delegate form and return it to **Lion George Holston, District 31-N Cabinet Secretary, 10 Jeb Stuart Drive or by email to** sealion2@aol.com to ensure the correct members of your club will receive their delegate cards at the State Convention. This form should be received by the Cabinet Secretary no later than January 11, 2026, or **just bring it to the convention.**

According to our International, State, and District Lions constitutions clubs in good standing are entitled to one delegate and one alternate for each ten members or major fraction of your club that have been members for a year and a day. Past District Governors do not count towards your delegate count. Please list your club's PDGs on this form so they can be certified more quickly.   Every club gets at least one delegate/alternate. Only full dues paying members count toward your delegate number.   A family member can serve as voting delegate. No proxy voting allowed. **(see LCI Standard District Constitution for more information)**
